

# **HYPe is Going to Disneyland!**

The Hosanna Youth Performers (HYPe) is a student performance company that ministers the love of God to the community through dance, while encouraging members of the troupe in their spiritual growth.

This year HYPe has been invited to perform in Disneyland on March 25, along with the opportunity to take a dance workshop with professional Disney choreographers. This is an exciting, first-time event for our group and we need your help to get there!

Donations of any amount are gratefully welcomed to make this trip possible.

**For \$100 or more**, your business name or logo will be printed (1-color) on the back of group t-shirts that will be worn by the group and family members during the trip, as well as around town. We will also post a thank you link to your business on our Facebook page and website. Your support will go directly to help our HYPe members pay for this trip, making it possible for them to represent our community and your business while doing what they love - dance!

*Thank you for your support!*

---

**Please make checks payable to: Hosanna Performing Arts Foundation**

*(Payment by credit/debit card via square also available)*
